

Cottonwood Police Department Press Release

06/08/15

For Immediate Release

Monte Proctor, father of Ebin Proctor, arrested for assaulting a Cottonwood Officer.

On 6-6-2015 at approximately 10:42 PM, Cottonwood Police responded to a 911 call for a Disorderly in progress in the 700 block N Main St. The caller identified 43 year old Monte Proctor as the disorderly party causing a fight at that location. The caller further advised items sounded as if they were being broken inside the residence. When officers arrived they observed the involved parties at that location having an aggressive argument. Officers gave verbal commands to the involved parties. Monte Proctor immediately fled the area running to the rear of the home. Officers contacted Proctor and due to previous threats he had made toward law enforcement, asked him to show his hands which he initially refused to do. At this point Proctor threw a can of beer at an officer striking him in the chest. Proctor advanced toward the officer in an aggressive manner where a Taser was deployed on Proctor to facilitate control and arrest. Proctor actively physically resisted arrest until placed into handcuffs.

Officers had responded to this same home earlier in the evening for a loud party call. While there officers discovered the party was actually a memorial gathering for Monte's son who had recently passed away. While officers were on scene they noticed Proctor was present and when he observed officers speaking to the home owner he covered his face and quickly walked into the residence. After counseling the home owner to keep the noise level down, officers left the noise problem call with no further incident.

Proctor was booked into the YCSO Jail for Aggravated Assault and Resisting Arrest.
